07/17/2006 DALLEN 00000017 031952 RE39045  
01 FC:1552 2300.00 DA  
02 FC:1558 1640.00 DA

Sir:

The patentee respectfully petitions pursuant to 37 CFR 1.378(c) for the acceptance of the unintentionally delayed payment of the 7½ year maintenance fee for this patent and for its reinstatement. As shown on the attached Fee Transmittal, the patentee is submitting herewith the delayed 7½ year maintenance fee as prescribed in 37 CFR 1.20(f) in the amount of \$2,300 and the surcharge as prescribed in 37 CFR 1.20(j) in the amount of \$1,640.

The patentee states pursuant to 37 CFR 1.378(c)(3) that the entire delay in payment of the maintenance fee was unintentional. The delay arose from a misunderstanding as to how maintenance fees are to be paid on reissue patents.

The patentee unintentionally failed to pay the 7½ year maintenance fee for this reissue patent apart from underlying original U.S. Patent No. 5,538,762, issued July 23, 1996. The two-year grace

period under 37 CFR 1.378(c) for paying the unintentionally delayed 7½ year thus expires July 23, 2006, making this petition timely.

Early action granting this petition and reinstating this reissue is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, the patentee petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing 356972000203.

Dated: July 11, 2006

Respectfully submitted,

By:
